

Let`s Do Lunch at Bangalay

4th November 2022

On a lovely day at Shoalhaven Heads 18 of us gathered for a long leisurely chatty lunch at Bangalay Dining, the award winning restaurant in the Shoalhaven. This year it has won the NSW Australia Restaurant and Catering Award for Excellence and the Shoalhaven Business Award for Tourism and Hospitality, so clearly a good place to go. We were not disappointed with a splendid meal comprising a starter of 12 hour fermented olive oil focaccia, followed by pan fried Barramundi with roasted cauliflower and Hasselback potatoes, and finishing with a Riberry and blood orange sorbet. All washed down with Nick Spencer`s Pinot Gris and Shiraz.

A delicious experience all round very ably prepared by the chef Simon Evans. At the end of the meal, he came out to talk to us about the food and how many of the ingredients were locally sourced, all very pleasantly served by the friendly Jackie at front of house. We were pleased to welcome several non-members for the lunch and also Frances Summers who came all the way from Canberra to be with us. The lucky door prize was won by Gale Trapp.

After such a delightful occasion we now look forward to the December event, the Terra Madre celebration combined with the Christmas Party at Meroo Meadows on Sunday 11th December 2022.
