

ANNUAL QUIZ

Cambewarra

Friday 23rd August 2024

There was a bumper turnout for this year's Food and Drink Annual Quiz with 50 members and friends attending. It was held in the old Cambewarra Hall and School of Arts. It was pleasing to see that just under half of the people there were from the village and the local area. As in previous years the Quiz Master was Nick Otter. He had prepared a quiz with a distinct French flavour, building on the Parisien Olympics, the Tour de France and the Rugby World Cup. The 6 rounds took the form of le diner Francais with courses going from `Aperitifs and Boissons` and `Hors d'Oeuvres and Amuse Bouche` to `Plats Principaux` and `Digestifs and Chocolat`. The `icebreaker` round was a set of `tasty acronyms` which tested everyone's memories. A French menu was prepared by Marilyn and her co-chefs, comprising Poulet Vallee d'Auge, Pommes de Terre Persillees, Tarte aux Herbes and a Salade Verte, followed by Gateau aux Compote de Rhubarb et Fraises all delicious and very much enjoyed by all.

The next event is on Saturday 21st September 2024 and will be a lunchtime `Conversation on Citrus Care`. It is followed by an Indigenous Lunch on Saturday 12th October 2024 at Lyrebird Ridge Winery and Retreat and is part of the Yila Aboriginal Healing Trail Initiative.
