A BUNDANON LUNCH on 24th JULY 2025

On a beautiful sunny winters day, 24 members and friends gathered for lunch in the private dining room at the Bundanon Art Museum. We were treated to a lovely lunch created by the well-known Chef Doug-Innes who runs the RAMOX café at Bundanon. The meal comprised a first course of Hawaii spiced yellowtail kingfish and followed by beef short rib with celeriac, cucumber and dill; the dessert was a chocolate caramel mousse all accompanied by your favourite tippie. Delicious.

Included with the meal was a visit to the new exhibition, rather splendid featuring Aborigine art done by Betty Kuntiwa Pumani entitled `Those Who Come After` and The Shape of Music` by David Sequeira. All in all, a very enjoyable and interesting day out much enjoyed by all present.
